Highlights included:

- Registration for the 2026–2027 school year remains open, and projected enrolment figures for the upcoming year were reviewed.
- Information was shared regarding the English Parents' Committee Association (EPCA) and its role in advocating for English-language education and supporting parent committees across Quebec.
- The committee discussed concerns regarding Quebec Bill 8, which proposes restrictions on access to English adult education and vocational training. Supporting documents included a press release, information for parents, a list of Members of the National Assembly (MNAs), and sample advocacy letters encouraging families to contact their elected representatives if they wish to express their views.
- No action was required from the Governing Board at this time. The report was received for information.

10.4. Daycare Report

During the month of May, we kept busy with many fun and meaningful activities. We created a retirement book to honour one of our educators, enjoyed TGIF throwback afternoons every Friday, and took advantage of the beautiful spring weather outdoors.

Our Daycare Week theme was “Whirlwind.” Our team explored the concept of wind through hands-on activities, including making spinning tops, creating and flying paper airplanes, building wind turbines, and enjoying many exciting games with ping pong balls. To celebrate the week, we also provided each student with a special whirlwind-themed cupcake.

Our last two PED days were filled with fun and active experiences, including planting flowers and participating in a Pound workout.

As we prepare for the upcoming school year, students have been helping us organize and plan ahead. We have been gathering their ideas, asking what activities they would like to see more of and learning about their interests. The daycare team is excited to start fresh next year with many new ideas and plans to continue creating engaging and memorable experiences for our students.

10.5. PPO Report

-The committee reported on the success of the school carnival held on May 22, which welcomed approximately 700 attendees. The event included a magician, face painting, inflatable games, raffles, and many other family-friendly activities. A total of \$4,617 was deposited into the PPO account following the event.
